

YEAR-END BALANCE WHEEL

This type of 'balance wheel' depicts a popularly used coaching and assessment tool. To maximize its usefulness, connect the dots to see if your wheel is balanced or lopsided. Use different symbols for each of the past 2-3 years to look for overall progress and trends. If this is your first December meeting in C12, consider this your baseline. **Start here and grow.**

Based on your completed Year-End Balance Wheel, what important commitments are you ready to make for 2017?

Utilize **Appendix A** to craft resolution and goals for 2017 in light of this audit.
